Multi-Lingual Tea Ceremony!

13:25 - 14:55 (90 min.), Hōman-ei Tearoom

Step inside a real tearoom and join an expert in *sadō* for an introduction to the world of the Japanese tea ceremony. Once you've learned about tea-drinking culture and the tools used to prepare tea, you'll be able to try your hand at making a cup for yourself, using authentic matcha and accompanied by real Japanese sweets!

Appreciating the Ancient: Kyuhaku's Tea Bowls

15:30 - 16:00 (30 min.), Cultural Exchange Exhibition Hall

After experiencing a tea ceremony for yourself, take a deeper dive into the history of the practice and discover some of the tea bowls in our collection. Hear from the researcher in charge of these timeless artifacts (used for actual, historical tea ceremonies!), then explore our Cultural Exchange Exhibition Hall and ask any burning questions. Plus, don't miss "Cultural Properties in 8K: A Hands-On Look at Legendary Tea Bowls," our exclusive experience allowing you to appreciate iconic tea bowls from whatever angle you'd like!
