Beijing Opera

What is Beijing Opera?

It is an ancient Chinese art form that features acting, singing, dramatic gestures, and music. Actors wear elaborate, brightly coloured costumes and distinctive facial makeup while on stage.

Beijing Opera face painting (liǎn pǔ)

We can tell what kind of character is being played on stage by looking at the actor's face! Both the colour and type of design used give us clues about their personality.

Red

Courageous
Upright Loyal
Masculine

Purple

Serious
Attentive
Righteous

Green

Courageous
Rough-mannered

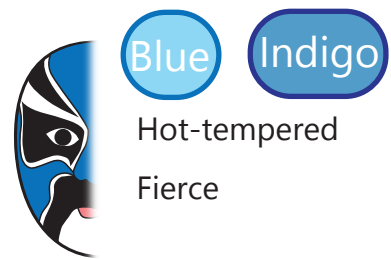

Black

Reserved
Hot-tempered
Righteous

White

Villain
Sly Daring
Violent

Blue

Indigo

Hot-tempered
Fierce
